

Recommendation Letter

Q8 Oils
authorised distributor

November 2023

Agri Consortium Oravita, Caras Severin

We are very satisfied with the Q8 quality and I can strongly recommend Q8 Oil and lubricant products.

Important is also high service and fast delivery from our supplier Gruppo Damidio.

The farm is operating 4500 hectares with modern machinery like Claas, Fendt, Volvo, MAN and JCB equipment.

The Q8 product portfolio cover the specifications needed and demanded by machinery producers. And after changing to Q8 we did not have any technical problems related to oil quality anymore.

Best regards,

O zi buna,

Jan Kærvang Nielsen
